## Ramme 1

### Beskrivelse av søkestrengen

Søket består av 3 deler; fertilitetsbehandling, risiko, kreft som er kombinert med AND. Det er søkt med kontrollerte emneord (MeSH eller Emtree), ord i tittel/abstrakt /forfatters nøkkelord, kombinert med OR, innenfor de tre delene.

#### EMBASE:

artificial insemination/ or embryo disposition/ or exp embryo transfer/ or fertilization in vitro/ or in vitro oocyte maturation/ or intracytoplasmic sperm injection/ or ovulation induction/ or in vitro oocyte maturation/ or intracytoplasmic sperm injection/ or ovulation induction/ or superovulation/ or chorionic gonadotropin/ or clomifene/ or clomifene citrate/ or corifollitropin alfa/ or follitropin/ or gonadotropin/ or human menopausal gonadotropin/ or recombinant chorionic gonadotropin/ or recombinant follitropin/ or recombinant follitropin plus recombinant luteinizing hormone/ or recombinant luteinizing hormone/ or urofollitropin/ or gonadorelin/ or (gonadotropin\* or clomifene or clomiphene or corifollitropin\* or follitropin\* or recombinant luteinizing hormone or urofollitropin\* or gonadorelin\* or buserelin\* or leuprolide or menotropin\* or nafarelin\* or (fertilization\* adj3 vitro) or (fertilisation\* adj3 vitro) or (fertilization\* adj3 invitro) or (fertilisation\* adj3 invitro) or ivf or intracytoplasmic sperm injection or icsi or assisted reproduct\* or (ovarian adj2 hyperstimulat\*) or (ovarian adj2 stimulat\*) or (ovulation adj2 induct\*) or superovulation\* or super ovulation\*).tw,kw. **AND** (exp risk/ or register/ or morbidity/ or incidence/ or pharmacoepidemiology/ or (risk or risk\* or incidence or morbidity\* or pharmacoepidemiology).ti,kw. or (register\* or registry).tw,kw.) **AND** (exp Neoplasms/ or (neoplas\* or cancer\* or carcinom\* or adenocarcinom\* or tumor\* or tumour\* or oncol\* or metasta\* or malign\* or osteosarcoma\* or chondrosarcoma\* or rhabdomyosarcoma\* or fibrosarcoma\* or hepatoblastoma\* or nephroblastoma\* or retinoblastoma\* or ganglioneuroblastoma\* or neuroblastoma\* or glioma\* or astrocytoma\* or ependymoma\* or lymphoma\* or hodkin\* or nonhodkin\* or leukemia\*).ti,kw.)

#### MEDLINE:

reproductive techniques, assisted/ or embryo transfer/ or single embryo transfer/ or fertilization in vitro/ or sperm injections, intracytoplasmic/ or insemination, artificial/ or insemination, artificial, homologous/ or oocyte retrieval/ or ovulation induction/ or superovulation/ or buserelin/ or clomiphene/ or gonadotropins, pituitary/ or leuprolide/ or menotropins/ or nafarelin/ or (gonadotropin\* or clomifene or clomiphene or corifollitropin\* or follitropin\* or recombinant luteinizing hormone or urofollitropin\* or gonadorelin\* or buserelin\* or leuprolide or menotropin\* or nafarelin\* or (fertilization\* adj3 vitro) or (fertilisation\* adj3 vitro) or (fertilization\* adj3 invitro) or (fertilisation\* adj3 invitro) or ivf or intracytoplasmic sperm injection or icsi or assisted reproduct\* or (ovarian adj2 hyperstimulat\*) or (ovarian adj2 stimulat\*) or (ovulation adj2 induct\*) or superovulation\* or super ovulation\*).tw,kf. **AND** (exp risk/ or morbidity/ or incidence/ or pharmacoepidemiology/ or Registry/ or (risk or risk\* or incidence or morbidity\* or pharmacoepidemiology or register\* or registry).tw,kf.) **AND** (exp Neoplasms/ or (neoplasm\* or cancer\* or carcinom\* or adenocarcinom\* or tumor\* or tumour\* or oncol\* or metasta\* or malign\* or osteosarcoma\* or chondrosarcoma\* or rhabdomyosarcoma\* or fibrosarcoma\* or hepatoblastoma\* or nephroblastoma\* or retinoblastoma\* or ganglioneuroblastoma\* or neuroblastoma\* or glioma\* or astrocytoma\* or ependymoma\* or lymphoma\* or hodkin\* or nonhodkin\* or leukemia\*).tw,kf.)

Søket ble avgrenset til «human», og publikasjoner etter 2006. Språk ble begrenset til engelsk.
